GEORGIA COLLEGE
GEORGIA'S PUBLIC LIBERAL ARTS UNIVERSITY

On the campus map, we have identified restrooms that are readily available for public use. While all buildings have restrooms, some buildings are easier to access than others. These buildings are denoted with an R. If you are looking for a building that has a readily available unisex restroom, those buildings are identified with a U.

Additional unisex restrooms are located in Parks Memorial, the Smith House, Russell Auditorium, Blackbridge House, Wooten-Garner House, Miller Court, Porter Hall, North Clarke Street House, Harrison House, Humber-White House, Bone House, Underwood House and Sallie Ellis Davis House. These locations are not as accessible as other restroom facilities, so please do not hesitate to ask a staff member in one of these buildings for assistance if you need help finding the unisex restroom.
