

Meal Plan Terms & Conditions

This meal contract is for the academic year (fall and spring semester), unless the student requests, in writing, to cancel this contract by the following dates:

Last day to cancel or decrease meal plan for Fall Semester is August 1st.

Last day to cancel or decrease meal plan for Spring Semester is December 1st.

Dining dollars may be used to purchase a snack, beverage, or meal in any on campus dining outlet operated by Sodexo Campus Services. CatCash is available for purchases anywhere the Bobcat Card is accepted, both on and off campus. Both accounts are typical debit accounts, allowing the cardholder to make purchases without carrying cash. All Dining dollars and CatCash funds roll over indefinitely, and balances greater than \$20 are available for refund upon graduating or officially withdrawing from GC.

There are no refunds for missed meals. Meals do not carry forward to the next semester (exception: 25 Block balances carry over from fall to spring semester only).

A student who withdraws or is required to withdraw from the university during a semester may receive a refund of meal plan fees on a prorated basis, determined by the date the student submits a formal request of withdrawal to the Bobcat Card Office. No refunds, except Dining dollars and CatCash will be made after the 60% refund period; or if the student leaves the University for Disciplinary Reasons.

The meal charges at the prescribed rate per academic semester are payable in full at the time of payment of tuition and fees for each semester, or within three business days of signing this contract, whichever is later. If payment is not made by the deadline, the meal plan will be suspended and/or cancelled. In addition, failure to pay all outstanding charges will prohibit further access to dining facilities, registration, issuance of transcripts and other records. If charges are not paid, the university will request assistance from a collection agency. The student is responsible for any additional collection fees.

My signature (electronic or otherwise) acknowledges that I have read and understand the conditions contained in this contract. I understand that I am obligated by all aspects of this document.

My signature (electronic or otherwise) authorizes the university to apply my financial aid against any and all charges related to my meal plan.

Meal plans added after the last day of the drop/add period will not be activated until payment is received.
