## **Suggested Sequence for B.B.S. in Management Information Systems\*** (Revised 7/21/09)

---

### **NOTES:**

\* This sequence of courses is only a suggestion; because of class availability, some courses may need to be taken in different terms. What is important is that students should complete at least 30 semester hours per year to complete all degree requirements in four years.

\*\*BIDS 1705 is not included in hours for graduation

- First semester freshman are required to take BIDS 1705. This course does not count in the required 120 hours for graduation.
- The US and Georgia constitution special legislative requirements are satisfied by earning a passing grade in POLS 1150.
- RGTT Test - Student's must register and sit for the Regent's Test no later than the semester of enrollment immediately following them completing 30 credit hours. Transfer students from outside of the University System of Georgia must complete the Regent's Test within 2 semesters of their arrival.
- US & GA History special legislative requirements (As of Fall 2000) must be satisfied by earning a passing grade in HIST 2111, HIST 2112, or HIST 4415 or by passing an examination (See GCSU Undergraduate Catalog under Special Legislative Requirements). Contact Department of History & Geography for Test.
- A grade of C or better is required in all courses counting toward the major. CBIS Courses that have other CBIS courses as a prerequisite require a "C" or better in the prerequisite course before attempting the next course.
