**SUGGESTED SEQUENCE FOR BBA - ACCOUNTING MAJORS**  
**(Updated 6/11/09)**

**NOTES:** This sequence of courses is only a suggestion; because of class availability, some courses may be taken in different terms. Sequence courses such as ENGL1101/1102 and ACCT2101/2102 must be taken in sequential order. Students should average approximately 30 semester hours per year to have 120 semester hours at the end of four years to complete graduation requirements. Also, if students attend in summer terms, the sequence of classes will be slightly different.
