REQUEST FOR STAFFORD LOAN (SUBSIDIZED AND UNSUBSIDIZED)

GCSU participates in the Federal Family Education Loan Program. Under this program, students borrow funds for their educational expenses from a commercial lender. Students may choose any lender who participates in this program. By indicating your interest in the Stafford Loan on this application, your eligibility will be determined, and if eligible, the Financial Aid Office will certify a loan with the lender of your choice. Prior to disbursement of these funds, you must complete a Loan Entrance Counseling session and sign a Master Promissory Note (MPN) with your selected lender.
