NOTE ON EDUCATIONAL DOCUMENTS

GC's International Education Center will review your educational documents and equate your previously completed coursework to U.S. grade equivalencies. Generally, we do not require that you submit documents to an outside professional credential evaluation agency; however, at times, we may advise you to use such an agency if we are unable to determine educational equivalencies. Only agencies which are members of NACES (www.naces.org) may be used in these instances.

ALL educational experience must be supported by official documents submitted *directly* from the appropriate issuing institution(s) to Georgia College listing courses taken (with credits/points or hours per course and grades awarded), educational degrees, certificates, and/or awards received. If documents are in a language other than English, they must include an official (certified or attested) English translation. Applicants can also compete for regular Graduate Assistantships, which waive all tuition (excluding fees) and pay a stipend each semester. Students should contact the graduate coordinator of their program about Graduate Assistantship application procedures.

FINANCIAL DOCUMENTATION

All applicants who need to obtain a student (F-1) visa to study in the United States must demonstrate that they have sufficient funds to pay for tuition, fees and living expenses while at GC. You must complete, sign, and submit the Declaration of Finances form and provide a bank statement or certificate of balance prepared within the last six months. You will later receive an official acceptance package that will include the bank statements you sent to us along with an immigration form called the I-20. You will need to take these documents to the U.S. embassy for your student (F-1) visa interview.

We will send you the acceptance package via regular air mail. If you would like expedited delivery of your documents via UPS, you will need to provide a payment of U.S. \$100 by credit card or check *before* the documents are mailed. You may also pay for express delivery at a UPS, DHL or FedEx site in your country and have an agent pick up the package from our offices.

Application Guidelines and Information

Georgia College has designated a portion of its funds to assist International Students who pursue a graduate degree at GC. The University is pleased to be able to use these funds to award IGA's to qualified and deserving students.

1. A student must be regularly admitted to GC and be accepted for regular admission to a graduate program to be considered for the IGA. A student must also be eligible to work in F-1 visa status from the beginning of the first semester.
2. The IGA waives the additional out-of-state tuition fees that must be paid by all students who are not permanent residents of the State of Georgia.
3. The IGAs will be awarded on the basis of demonstrated academic ability, as well as evidence of extra-curricular involvement, and financial need.
4. All award decisions are final. Once awarded, IGAs are renewable for as long as the GC Graduate student remains both academically and civically qualified.
 - To remain academically qualified, the student **must**: a) be a graduate carrying a full academic load of 9 hours per semester (but not more than 15 hours), AND b) maintain a minimum 3.00 grade point average (GPA). Grades will be reviewed each semester.
 - To remain civically qualified, a student **must**: a) participate in the planning and implementation of both the annual International Dinner and the annual International Week, AND b) provide educationally beneficial assistance to the schools and administrative offices to internationalize the curriculum, campus, and community.
5. Students who are in jeopardy of losing their IGA for either academic or civic reasons will be notified. Students will have one semester to improve their performance and return to good standing before the termination of the IGA.
6. IGAs are required to work 10 hours per week while school is in session (as specified by the GC department to which they are assigned) for the duration of the IGA.
7. The IGA will remain in effect for one full year (including summer semester, if desired) as long as the student remains academically and civically qualified to continue receiving it. A request for renewal of the IGA must be made in April each year.
8. To be considered for the IGA, students must return the following items by the application deadline when they submit their Graduate Application for Admission:
 - a) An accurately completed IGA application form, AND
 - b) A letter written by the applicant explaining how their own special abilities, interests, and experience will contribute to the process of internationalization of the curriculum, campus, and/or the community, AND
 - c) Letters of recommendation from two persons familiar with the applicant's previous experience.
9. If a student is awarded an IGA and is unable to enroll at GC during the semester originally indicated, the student must re-apply for the award.

IMPORTANT NOTICE: Because of the large number of students applying for the International Graduate Assistantship, and the limited number which Georgia College is able to award, ***you should NOT depend on this funding when filling out your Declaration of Finances!*** If you are admitted to GCSU AND are awarded the International Graduate Assistantship, you will be notified by letter and your I-20 will reflect the amount of the award.
