

London and Paris 2010

Experience the diverse culture and historic sites of Europe's largest city, living in London's Notting Hill area in an authentic English B&B. A trip to Paris will provide an unforgettable experience as you visit all the major attractions and get off the beaten path as well to see the parts of Paris little known to tourists but loved by Parisians. School observations and placements will be coordinated with Church Hill School, London. Appropriate for any education or pre-education major, but is open to all majors.
