Brought to you by the

Outdoor Center at

Open Climb Night

Venture Out is hosting another open rock climbing night at the Outdoor Center at East Campus! The program is open to both novice and experienced climbers and will be held from 5 pm - 7 pm on Wednesday, October 20th. You can try climbing for the first (or 50th) time, learn how to belay, and even test your skills if you've done it before. There is no cost and all equipment is included. This is a great opportunity to try something new and maybe even pick up a new hobby.

Please wear closed-toed shoes with a secure heel (no flip-flops) and arrive by 6:30 pm to make it in time to climb!
