## Five Senses Scary Story activity

looks creepy.
smells gross.
feels rough.
sounds scary.
tastes bad.

Choose one of the following horror story prompts from the list below and be sure to incorporate your five senses in the story!

- Your parents explain that you are actually an alien from another planet.
- You know someone is watching you day and night from the house across the street.
- While reading a scary book, you realize that you're a character in it.
- A scene from a nightmare comes true the next day.
