Robins Center
Georgia College at Robins AFB is located in Building 905 on Robins Air Force Base. This large brick building is on the southeast corner of the Ninth Street and Robins Parkway intersection.

Robins AFB is located on GA Hwy 247 (US 129) on the eastern edge of the city of Warner Robins. There are several gates into the base; however, the visitor’s center is adjacent to Gate 3 on Watson Blvd. The closest gate to our building is Gate 14 (Russell Parkway Gate).

Base Access/Passes
Entry to Robins AFB is controlled by Robins AFB officials; therefore, if you do not already have access to the base (as a military member, retired military member, or base employee) you must call our office at 478-327-7376 to find out how to get a pass. Generally speaking, passes are only available to students who are actually registered for a course for a given semester. Unfortunately they cannot be given to prospective students who want to visit our office to seek information. In those cases we are able to communicate with the students using a combination of email, faxes, mail and/or the telephone.

The student passes are normally issued at the Base Visitor’s Center from 1530 - 1730 during the first four nights of any given semester.
