TELL ME MORE® Network
Student Guide
A: TELL ME MORE®
1- Open TELL ME MORE on the desktop: Log-in with the name and password given to you by your instructor.

Choose the level your teacher has assigned for you to work in and the language you are studying (if available).

Choose Guided Mode, unless your teacher has suggested otherwise.

B: Your Assignment
Next, you will see a list of paths. Use the slide bar on the right side to find the path your teacher has assigned.

C: The Activities
1- Read the instructions of each activity thoroughly: activities will vary from one to another even though they may look the same; the instructions are on the top left corner.

2- Look at the number of exercises in each activity that is on the top right corner of the screen. The arrows allow you to move from one exercise to another.

You will now see the lessons chosen by your instructor (a minimum of one). The activities in each lesson(s) are symbolized by squares, moving left to right.

After clicking on the first lesson title, you will see the activities displayed with their corresponding focal area. Start with the first activity and proceed in order, from top-to-bottom, left-to-right.

3- Finding Help: Help is always available on the top right corner of the screen. You will find help with the screen, with navigating the solution and additional useful tips.
D: The Tools

There are 6 tools for the students available throughout TELL ME MORE®.

Note: Not every tool is available in every exercise – depending on the type of the exercise. The translation function requires activation by your instructor.

The TELL ME MORE® Tool: It is This is how to use it: 1- Click on the icon. The Find out more about a word box will appear and all the words on the screen will be underlined – you can now find out about any underlined word you click on. The TELL ME MORE® tool will give you:

- Translation of the word (if available)
- The ability to pronounce the word
- The ability to listen to the word
- If it is a verb, you can access the conjugation. Note: this option is not always activated.

The Grammar Explanation Tool: This tool allows you to see the grammar explanation related to the specific exercise you are working on.

Translation: By clicking on the flag, you can see the text on the screen translated into the interface (instruction) language. (Requires instructor authorization).

Send a message: You have the ability to send messages directly to your instructor through the message tool. (Requires instructor authorization).

The Correction Tool: This tool allows you to check your answers without losing any points. You are able to see in RED where your mistakes are and in GREEN what you have done correctly.

The Solution Tool: This tool will provide you with the answers. Every time you use this tool, you will lose points.

Note: Your Instructor is able to see whenever you use the solution tool.

However - You are able to go back and redo the exercise if you want to get a better score.
