Campus Map

Time
The ceremony processional will begin promptly at 6:45 p.m. Candidates should check in at the first-floor student line up area no later than 6:00 p.m. Doors will open for guests at 5:00 p.m. We ask all guests to use the building main entrance (next to the tennis courts) and to be seated before the processional begins.

Participants
Students who have submitted a Spring or Summer 2016 graduation application and who have been verified by the Registrar’s Office as on track to complete all degree requirements by the end of the Summer 2016 semester are invited to participate. Because final grades for Spring and Summer semesters are not received until after commencement, participation in the ceremony does not guarantee that all degree requirements have been completed or that the student will graduate.

Tickets
Tickets are not required for graduate commencement. There is no limit on guests. Seating is available on a first-come basis.

Announcements
Herff Jones is Georgia College’s authorized vendor. Students will receive ordering information at their bobcats email address in mid-January. Additional information is available from Barnes & Noble at Georgia College.

Regalia
In order to participate in commencement, graduate students are required to wear a master's gown, graduate hood with the appropriate color piping, cap and black tassel. U.S. military personnel may wear appropriate military dress uniforms in lieu of regalia. Regalia should not be worn over military uniform. Students will not be allowed to participate in the ceremony if they are not attired appropriately.

Regalia will be available for purchase online through Herff Jones beginning in January. The deadline for online ordering is Friday, March 4. After this date, regalia must be purchased directly from Barnes & Noble at Georgia College. Delivery for out-of-town students can be requested for an additional fee.

Students may also borrow all or part of their regalia from recent GC graduates rather than purchasing their own items. If borrowing attire, students need to ensure that their hood bears the appropriate color for their discipline and that they wear a master’s gown, which has long, rectangular extensions on the sleeves.

The Student Government Association and the Office of Student Affairs also provide assistance for a limited number of students who would otherwise be unable to participate in commencement due to the cost of regalia. For more information, email SGA at sga@gcsu.edu.

Personal Attire and Articles
Proper attire is required of all students participating in the ceremony. Ladies, please wear dark shoes; low heels are strongly encouraged. Gentlemen, please wear dark shoes and trousers. Please avoid wearing bright colors.

Students should not bring any bulky items, like purses or bags, to the ceremony. Students may bring a small camera or cell phone.

Parking
Due to high traffic the day of the event, guests are encouraged to park in either the Irwin Street lot (Lot # 28) or the Depot lot (Lot # 2) and utilize a shuttle for transportation to the event. Shuttles will be running two hours prior to the event start and one hour after the event ends. Anyone requiring ADA assistance may park in the designated parking area in front of the Centennial Center. For any parking or shuttle questions, please call the Parking and Transportation office at 478-445-7433.

Assistance for Individuals with Disabilities
Anyone requiring handicap assistance may park in the designated parking area in front of the Centennial Center. Families may also drop off guests with disabilities at the front entrance of the Centennial Center. Georgia College will also provide assistance with golf carts and ADA accessible shuttles from each of the parking lots.
The ramp accessible entrance is located on the right side of the front entrance. Once inside, there will be three rows of handicapped seating available on both sides of the seating area. Family members may sit near one another, but we ask that designated handicapped seats remain reserved for other individuals with disabilities. There are twelve wheelchair accessible spaces along the top row of seating.

A sign language interpreter will be available and signing from the left side of the stage; reserved seating for individuals who use an interpreter will be available directly in front of this area.

If you or your guests require special assistance or use a sign language interpreter, please notify Disability Services at 478-445-5931 or by e-mail at disability@gcsu.edu.
