

The recommended four-year plan is designed to provide a blueprint for students to complete their degrees within four years. These plans include the recommended sequences of courses. Individual plans will vary based on previously earned credit such as Dual Enrollment and AP credit as well as student's academic goals. Students will work with an Academic Advisor to develop a more individualized plan to complete their degree.

This is the recommended Four-Year Plan applicable to students admitted during the 2023-2024 academic year and planning to pursue the 4+1 Master of Accountancy (MAcc) plan.
