Presented with slide and video

Will send and share with faculty and do a followup

Announcements Nancy:

IFR completed on time. Thank you

Will spend next week Feb 28- March 5, 2021

Digital Measures is a way to keep up with ongoing personal

No cost low cost need to report and stay on track

Check your rolls to make sure students who enrolled are actually attending

Graduation will be face to face for students from last year and this year

Awards will stay as previously done, suggest a program award ceremony

Border Free GC – Response to Covid, Virtual Study Abroad

Mental Health is available to all students please forward

Faculty Announcement:

Linda Lakeview Academy Black School Events: Kids really enjoyed and are benefitting from Paulette presentation

Comment

Caep: Standards 1 & 2 look at on a program level

Look more deeply the standards and copancies

Dr. Good: Standard 4 program impact no useable information available

Need to design and demographics and com

A41 Employer- really knowledgeable about the completers

A42 Completers –student who take the survey 1-3 years after graduation

(if a person gets a job immediately y and keeps for 6 month have to be accessed differently)

What can be developed across programs and alone

If you would like to work on this with Dr. Good please let Nancy know

Thank you JW Good for your work

Greer will be producing and hosting a new television show for the public tv by observing and exploring Georgia for GCP Education beginning Spring 2022
