

The recommended four-year plan is designed to provide a blueprint for students to complete their degrees within four years. These plans include the recommended sequences of courses. Individual plans will vary based on previously earned credit such as Dual Enrollment and AP credit as well as student's academic goals. Students will work with an Academic Advisor to develop a more individualized plan to complete their degree.

The GC Journeys Program will transform your way of thinking and experiencing college. By participating in five inside and outside the classroom transformative experiences during your time at Georgia College, you will step outside of your usual surroundings, gain authentic experiences, solve problems, become a leader, participate in real-world settings and put ideas into action.

All students will complete the First-Year Experience, Career Planning Milestones, and a Capstone course in your major. Students will choose two additional experiences from: Intensive Leadership Experiences, Mentored Undergraduate Research, Community-Based Engaged Learning, Internships, and Study Abroad/Study Away.

This recommended Four-Year Plan is applicable to students admitted during the 2022-2023 academic year.

Total Credits Required: 129 credits

Required GPA for Graduation: 2.75 (overall)

Courses requiring a C or better are denoted with a star (*)

Legend is available on the last page of this document.

Year 1										
Fall					Spring					
Course	Title	Hours	Area	✓	Course	Title	Hours	Area	✓	
EDFS 0001	First-Year Academic Seminar	1			EDUC 2120*	Exploring Socio-Cultural Perspect on Diversity	3	F
