

### What is FOCUS 2?

FOCUS 2 is an online, interactive, self-guided career and education planning system to help you connect Georgia College's undergraduate and graduate majors and degrees to occupations.

### With FOCUS 2, you can:

- Explore your values, interests, personality, and skills utilizing various assessments as they relate to possible majors and careers.
- Map out your present and future career plans
- Make informed career decisions

### When should you use FOCUS 2?

Use FOCUS 2 throughout your college years and as an alumnus. FOCUS 2 can be used in different ways throughout all stages of your education and career planning according to your personal needs.

#### ***Students exploring interests and careers:***

- Understand the career planning process
- Self-awareness, learn about yourself through self-assessments
- Explore majors at Georgia College that match your interests and support your career goals
- Explore career fields and occupations that appeal to you
- Make informed decisions about your major and career
- Develop an Action Plan

#### ***Students seeking internships, jobs, and/or graduate school:***

- Ongoing career exploration and awareness
- Create a step by step plan
- Plan for advanced education and training
- Explore options for transitioning into new or specialized occupations

### What should I do with my FOCUS 2 assessment results?

- Schedule an appointment with a career advisor in the University Career Center to review your assessment results and develop your action plan. **Contact us at 478-445-5384 or visit us in 110 Lanier Hall.**
- Open FOCUS 2 again to explore job descriptions, career paths, majors, job boards, and more.
- Talk to your academic advisor about your results.
- Schedule an appointment with a counselor in Counseling Services to explore deeper concerns about life and careers. Counseling Services is located in the Wellness and Recreation Center on West Campus in Suite 210; call them at 478-445-5331 to make an appointment. Counseling services also offers more intensive assessments such as Myers-Briggs and Campbell-Strong.
