

Strategic Planning Steering Committee Meeting

January 17, 2019

Atkinson 202

The Strategic Planning Steering Committee met in Atkinson 202 on Thursday, January 17, 2019. In attendance were Mark Pelton, Dale Young, Omar Odeh, Cara Smith, Linda Bradley, James Carlisle, Suzanne Pittman, SGA Representative Meghan Pittman, Susan Allen, and Michael Watson. Absent from the meeting were Sandy Gangstead, Chris Ferland, David Johnson, Veronica Womack, and Chavonda Mills.

Mark welcomed everyone to the meeting and introduced the new faces to the committee. He mentioned there is still a need for a Student Affairs representative on the Steering Committee.

Mark distributed copies of the notes Danielle compiled from the four November/December meetings with action item Champions. He stated that the purpose of the meeting was to consider and discuss the concerns and suggestions made by the Champions in order to recommend modifications to action items and new action items to Executive Cabinet.

After the committee reviewed Danielle's meeting notes, Mark began taking the committee through each comment and/or suggestion Champions had made related to the goals, initiatives, and action items of the Implementation Plan. As a result of this discussion, a number of changes were made to action items.

Mark noted that the Implementation Plan recommendations made by the Steering Committee would be included in the annual report to Executive Cabinet.

Discussion will continue at the next meeting scheduled for Thursday, February 21, 2019 in Atkinson 202.
