

## TEAS Testing Instructions:

The first step in preparing to take the TEAS assessment is to create an ATI account. Go to [www.atitesting.com](http://www.atitesting.com).

During the test you will not be able to speak or chat with the Testing Center. If you need help with the testing system, there are **Quiz Tools** available to you on the screen. If you are unable to resolve the problem that way, the technical support number for ATI Testing is (800) 667-7531.

Log in no earlier than 15 minutes before and no later than 15 minutes after your start time on your test day.
