*VDI is a new initiative. For planning purposes, the five year schedule has been maintained for the VDI units. Replacement needs will be evaluated in FY22. VDI Maintenance includes 5% estimated increase.

**Ennis required increased specifications for desired outcomes. Ennis units moved to AS271 - Language Lab. Funding allocated for AS271 - Language Lab used with funding from A&S Dean to purchase units.

***FY21 included a matching \$24,977.75 for the Thundercloud graphics upgrade. Gap identified due to COVID.

New buildings are not processed through the STFAC - labs are not added to the replacement plan
