

wanted on him at the table: since he broke
his arm Celia has to feed him at a side
table. I have a few young chickens. I think
two are weaned. Celia wants to know Georges
baby name. She is well as usual. Mary
is anxious to get on summer clothes, I tell her I
will let her commence in April, she wants
me to get her a bought hoop skirt, baby I want
to get her some aprons soon have not made
any since last fall and she is needing some.
The children all join me in love to you and
sister and children and all the friends who
desire to hear from me, we would all be
glad to see you. Capt Robins has a daughter
he has now a son and daughter. I hope you
will not expose yourself too much in the
garden this spring, I fear you will have
Chills & gain. I hear of much sickness in
Cherokee. Let me hear from you as often as
you can. I greatly sympathize with aunt
Melinda she has many sore trials. I am
sorry to hear that mother and sister Nancy have
been so unwell. I hope she will soon be
well.

Very affectionately yours
E. P. Brown
I have just read that sun flower planted in
the yard will prevent fever, in its growth it absorbs
the elements of fever. No harm to try it will you
plant some?

Mill-dwells Geo

Sund night 18th March 1859

My dear Madam
I presume Mr. Brown
has been with you lately is probably
thus at this time he was so unwell
when he left home, that I have
been very uneasy about him and
when I hear from him he is no
better I hoped when he got away
from the office he would feel
better I got a letter from him on
yesterday he was sick when he wrote
Monday night and I shall feel
very uneasy indeed till I hear from
him again and I may not hear for
several days, but I will try to keep
him better. I want him to stay up
there for some time if he thinks he
feels like he was surprised by it, for
he needs rest badly, must take it

The baby arm is better, the Dr. says it I think they are such nice people at old Mr. is well, but I will keep it in a shing Hammond). The weather is now warm and for several days longer. I think Frank we have rain ever two or three days. My is better than he has been at any time. Irish potatoes are coming up I only planted since he came down here. The other children a peck, I feared the late frost I will have are well. I am very well in body, but some cabbage plants ready to plant in a week. very uneasy in mind. I have been I intended to send you some pepper seed, by making the children some summer clothes Mr. Brown, but forgot it, it is for pickling. since Mrs Brown left, Emma has been I suppose Mr. Brown gave you the things that helping me, we have made eight garments you wrote for, I returned your bags also. The children she sews as well as I do, but not so fast. are pleased with the book you bought for them. I wanted to have thin clothes made before I thought of sending uncle Jimmys last letter to you I had to quit. I have been teaching the but neglected to do so, uncle Elijah was a little children this year this takes up the most better. Brother John babe Lames and Jimmys of my time, but I think they are learning children all have the whooping cough, the some, and that is some compensation. I believe little babe was quite sick with it. Eliza she would be willing to go and stay awhile with eye is still sore, has been about one thing and I may let him go the next time his for a month, I would be so glad if he pa goes, if he does not get out of this no could get well, he is learning to talk we -tion. I hear cousin Lizzie is gone to Dalton think very fast, and is very little trouble I hope she will visit Cousin Sack Gray although he has been so much afflicted: Cousin Hammond and at Lodge Hammond, he enjoys his pa at meal times he always
