

We appreciate your interest in a Mass Communication intern.

To be eligible as one of our Mass Communication approved internship employers, we require the following from your business:

1. Students will be able to complete a minimum of 300 hours within 10-12 weeks.
2. Provides a supervisor with a degree and/or a minimum of three to five years of experience in the mass communication industry (specifically the area in which the student is interning PR, advertising, video/media production, journalism, etc.).
1. Includes a physical site where students will report daily, complete work assignments and have opportunities to network with employees.
2. Along with shadowing, students are given specific responsibilities that will require hands-on experiences, personal judgment calls and production using individual knowledge and skills. Projects may require supervisor approval.
3. Supervisor will complete a midterm and final evaluation survey, via an email link, of the student's work performance.

If you are able to fulfill these requirements, please email the MSCM internship Coordinator, Christina Smith, a job description and the application process that we can post to our student email list.

If you are unable to fulfill these requirements, we will be happy to post the position as a volunteer/part time job opportunity.

Again, we appreciate your support in the education provided to the mass communication students at Georgia College.

If you have additional questions or concerns, please feel free to contact:
