

## Summer 2022 Academic Calendar

While changes to academic calendars are rare, circumstances occasionally require us to add additional information or modify published calendars. Rather than bookmarking this document, please use [our website](#) to ensure that you have the most up-to-date information. A change log is provided at the end of this document.

Because Georgia College values the religious diversity of our students, major religious holidays that will be observed on class days have been included on this calendar. Students who will miss class in observance of a religious holiday should notify their instructors as early as possible and be prepared to make up work missed as a result of the absence. The instructor will decide the nature of the make-up work and the deadline for completion.

## Summer Grades and Graduation

The summer semester at Georgia College includes seven parts: Full Term, May, June, July, May-June, June-July, and a separate term for our Bridge Scholars Program.

Grades for all summer courses will be posted to students' records at the end of the summer semester, which, this term, will occur on Wednesday, August 3, 2022. Transcripts with summer grades posted will be available beginning Thursday, August 4, 2022. Grades are only available on official transcripts at the end of the semester, *not when the work is completed*.

Students graduating during the summer term must have all coursework, assessment, and other requirements complete by Thursday, July 28, 2022. Degrees will be posted for students who complete their final coursework during any part of the summer semester beginning Thursday, August 4, 2022. Degrees are only posted at the end of the summer term, *not when requirements are finished*. Students who need verification that their coursework or degree is complete but for whom official transcripts are not yet available may contact the Registrar's Office for a verification letter once their instructor has posted a final class grade.
