

Natural History Museum Animal Bingo

Natural History Museum & Planetarium Animal Bingo GPS

Kindergarden: SKCS1

1st Grade: S1CS1

2nd Grade: S2CS1

3rd Grade: S3CS1

4th Grade: S4CS1

5th Grade: S5CS1

6th Grade: S6CS1

7th Grade: S7CS1

Objective: Students will connect with the exhibits in the Natural History Museum and Planetarium by locating specimens or related terms found in the museum while playing 'bingo'.

Pre-visit activities: Students will better understand and learn from this activity by being exposed to the following topics *before* their trip to the Natural History Museum and Planetarium.

- fossils, ancient life forms

Post-visit activities: Students will more likely connect and retain information from the resources in the Natural History Museum and Planetarium by doing post-visit activities that requires use of the information to complete certain tasks. These tasks may include:
