

## Fall 2022 Academic Calendar

While changes to academic calendars are rare, circumstances occasionally require us to add additional information or modify published calendars. Rather than bookmarking this document, please use [our website](#) to ensure that you have the most up-to-date information. A change log is provided at the end of this document.

Because Georgia College values the religious diversity of our students, major religious holidays that will be observed on class days have been included on this calendar. Students are permitted to miss class in observance of religious holidays and other activities observed by a religious group of which the student is a member without academic penalty. Students who will miss class in observance of a religious holiday or event are required to notify each instructor in writing within the first week of class of the semester in which the observance occurs and to make up the coursework missed as a result of the absence. Additional information and a faculty notification form are available in the Undergraduate and Graduate Academic Catalogs, the Georgia College Policy, Procedures, and Practices Manual, and on the Registrar's Office web site.
