

Department of Music

The Georgia College Department of Music is undertaking the strategic planning process during the 2022/2023 academic year. As an initial step in this process, we are seeking information from our stakeholders, people like you. It is from this information that we will look for areas of consideration in developing our strategic priorities over the next five years. We appreciate you taking the time to share your thoughts with us. Please complete this questionnaire at the QR Code below or this link: <https://bit.ly/music-strategic-planning> by **Monday, October 31.**

Thank you for participating in our survey.
