

## Women's Faculty Fellows Leadership Program Fellow

Dr. Wathsala Medawala is an associate professor of chemistry. She teaches general chemistry, analytical chemistry, and forensic chemistry. She holds a Ph.D. in bioanalytical chemistry from Michigan State University. Her research with undergraduate students is focused on preventing and treating cancer, and forensic research. Dr. Medawala is also interested in chemical education research and co-authored a book chapter in *Integrating Transparency in Learning and Teaching (TILT): An Effective Tool for Providing Equitable Opportunity in Higher Education* in 2022. She is currently serving as the co-advisor of GC pre-dental club.
