

RESEARCH DAY ABSTRACT REQUIREMENTS

Submission Process

1. *Secure permission from your mentor to submit your abstract for Research Day 2023. Your mentor must fill out the Research Day 2023 Mentor Approval Form before your abstract will be accepted. NO regular undergraduate abstracts will be considered for the conference without the mentor filling out this form.*
2. *Clearly state the central research question and/or purpose of the project*
3. *Conform to the expectations for style, content, and completion as determined by best practices in your discipline. Your mentor is expected to assist you in determining this.*
4. *Include text only (no images or graphics)*
5. *Be well-written, well-organized, and concise. Abstracts should only be 150-300 words.*

Information to Include

1. *Name and e-mail address for yourself, all faculty mentor, and all co-authors*
2. *Presentation type: oral, poster, visual arts, or performing arts*
3. *Select the correct field of study that relates to your research.*
4. *Your mentor will need to submit the final version of your abstract for it to be accepted.*
