

HUMAN HEALTH AND SAFETY

Be sure you are familiar with the risks associated with the animals in this lab and any related health concerns. (See informational brochure provided by PI.)

In case of emergency:

Call x4400 AND 911

In case of non-emergency health concerns:

Students can contact Student Health Services at 478-445-5288 or go to the office on the first floor of the Wellness and Recreation Center at West Campus Monday – Friday from 8:15 am – 4:30 pm.

If medical attention is needed when the clinic is not open, please contact or go to: Atrium Navicent Baldwin ER at 821 N Cobb Street (478-776-4000) or Southeastern Immediate Care at 1909 N. Columbia Street (478-295-3000) **These facilities are not associated with Georgia College.

ANIMAL HEALTH AND SAFETY

To report animal welfare concerns:

Anonymous reports can be submitted through the IACUC website <https://www.gcsu.edu/iacuc>
OR

Email IACUC chair at iacuc@gcsu.edu
