

The recommended four-year plan is designed to provide a blueprint for students to complete their degrees within four years. These plans include the recommended sequences of courses. Individual plans will vary based on previously earned credit such as Dual Enrollment and AP credit as well as student's academic goals. Students will work with an Academic Advisor to develop a more individualized plan to complete their degree.

This is the recommended Four-Year Plan applicable to students admitted during the 2022-2023 academic year and planning to pursue the 4+1 Master of Accountancy (MAcc) plan.

Total Credits Required: 120 credits

Required GPA for Graduation: 2.0 institutional. Required GPA for entrance into the MAcc plan: 3.0 cumulative undergraduate GPA and 3.0 minimum accounting major GPA.

Courses requiring a C or better are denoted with an asterisk (*). Courses that require a grade of C or better as a pre-requisite to another course are denoted with a double asterisk (**).
