

MURACE

ORAL PRESENTATION

GUIDELINES

Each presentation should be approximately 10 minutes in length.

A PC and a projector will be available for your use. The PC will have sound and will facilitate the use of a DVD.

The session PCs will have internet access.

The recommended file type to be used for presentations is PowerPoint.

The presentation files should be stored for upload via USB, memory stick, or a similar memory device.

Speakers are requested to to upload their presentation onto the session PC and report to the session chair 10 minutes before the start of each session.

All speakers will be introduced to the audience by the session chair.
