ARTICLE IV - ELIGIBILITY FOR MEMBERSHIP

Section 1. Degree seeking undergraduate and graduate students (e.g. MPA, MACC, MBA, MSF, and Doctoral degree, etc.) and non-degree Post-Baccalaureate students at institutions where a chapter is located shall be eligible for election to membership after they:

- have declared a concentration in accounting, finance, business technology, and analytics (or have stated an intention to declare a concentration in accounting, finance, business technology, and analytics),
- are matriculated students at the chapter university, and;
- have completed at least one major course (accounting, finance, business technology, and analytics or corresponding to major area) beyond the principles or introductory level (for transfer students, the most recent qualifying course must be at a not-for-profit bachelor's or higher degree granting institution with a Business School that is accredited by AACSB, ACBSP, EPAS, EFMD, or EQUIS;
- have attained a cumulative grade average in upper-level courses, in their declared area of concentration, beyond the business core of at least 3.0 (where A is equal to 4.0) or the equivalent (for graduate students this GPA should be measured after at least one semester or quarter of academic work); and
- have attained at least a cumulative grade average of 3.0, or
- have achieved a rank within the top 35% of their university class, or
- have attained at least a 3.25 cumulative grade average on the most recently completed 30 semester hours; or
- have attained an honors distinction utilized by their institution deemed to be equivalent to the above by the BAP Board of Directors

Section 2. Degree seeking graduate students (e.g. MPA, MACC, MBA, MSF, and Doctoral degree, etc.) at institutions where a chapter is located shall be eligible for Student membership if they:

- are majoring, concentrating, or have a stated interest in accounting, finance, business technology, and analytics, are matriculated students at the chapter university, and;
- have attained a cumulative grade average in their graduate courses of at least 3.0 (where A is equal to 4.0) or equivalent.
