

MOVE-IN

Loading Zone Pass

Please complete this **loading zone pass** and have it handy as you drive onto campus. GCSU Public Safety Officers will direct traffic and enforce loading zone times. You will need to present this pass to them. Upon parking in the loading zone, the student should go inside to check in while a driver remains with the vehicle at all times. Once you have unloaded your vehicle you will need to move to long-term parking.

We strongly encourage you to limit move-in items to one vehicle. Additional loading zone passes can be downloaded at gcsu.edu/housing/fall-opening.
