

Welcome to the new GCRA Group Listserv! The Georgia College Retiree Association (GCRA) has transitioned to the UGA listserv to facilitate shared communication among GC Retirees. The use of the listserv provides a known address for communications from the GCRA.

The platform supports two-way group communication—please use it to share relevant news between retirees. Your initial subscription has been set up using known email addresses for Georgia College retirees. This is a non-moderated list. You may unsubscribe at any point.

Messages sent to the listserv will automatically be posted (no one is monitoring the emails for approval). Please do not share political, controversial, or offensive content – we want this to be a listserv where retirees can share important information and announcements.

Key points:

- A GCSU email address is not required. You may subscribe under your preferred email address by sending from your preferred email to GCRA-request@LISTSERV.UGA.EDU with the Subject: Subscribe with your full name in the message field.
- To post a message, email: GCRA@LISTSERV.UGA.EDU
- Please add GCRA@LISTSERV.UGA.EDU to your Safe Sender list.
- **If you use Reply, it will be sent to the list. If you wish to share privately, please use Forward and enter the email address.**
- Large attachments are not allowed.
- You may unsubscribe by using the Unsubscribe link at the bottom of the messages. Please note that Unsubscribe is the GCRA Group. It is not associated with any other established GCSU lists or distributions.
- Messages are archived. For security, the listserv requires that users set up a username and password to access the archives.

We hope you will support and actively participate. We would love to expand the list to include all retirees. If a fellow retiree is not receiving our information, please have them email: GCRA-request@LISTSERV.UGA.EDU with the Subject: Subscribe and include their full name in the message field.

As always, we welcome your feedback.
