

# FROM BOBCAT TO BEAR

## THE GEORGIA COLLEGE / MERCER UNIVERSITY 3+4 PRE-PHARMACY AND PHARM D PROGRAM

If you're a chemistry student at GCSU, you've got a head start on your pharmacy journey. Through our partnership with Mercer University's Doctor of Pharmacy program, you're guaranteed an interview. And (if admitted) you can transfer PharmD credits back to GCSU to finish your bachelor's degree. That means you'll graduate faster, save time, and jump into your pharmacy career sooner.

### YEARS 1-3

#### Show Your Interest

Tell your Chemistry advisor and Mercer's College of Pharmacy early on.

#### Build Your Foundation:

- Complete pre-pharmacy courses at Georgia College
- Finish at least 35 prerequisite hours by your junior year
- Apply to Mercer's PharmD program
- Enjoy priority status + a guaranteed interview

### YEARS 4-7

#### Make the Transition

Transfer to Mercer after completing your pre-pharmacy program

#### Finish your PharmD:

- Pursue your PharmD on Mercer's Atlanta campus
- Explore dual degrees: MBA, MPH, MS in Health Informatics, MS or PhD in Pharmaceutical Sciences

### WHY MERCER

Mercer University's College of Pharmacy is the South's top-ranked private pharmacy school, located in Atlanta with access to premier hospitals, research centers, and agencies. With personalized support, leadership opportunities, and cutting-edge facilities, you'll be prepared to launch your pharmacy career from day 1. Plus, Mercer's accelerated January entry point allows you the opportunity to graduate even earlier.

### WHY GEORGIA COLLEGE

Our ACS-approved Chemistry program has a strong tradition of preparing students for success, with an impressive track record of high acceptance rates into pharmacy school.

### NEED TO KNOW

- Participation does not ensure admission to Mercer's PharmD program.
- You must earn a C or better (2.0 GPA) in all courses and complete 63 prerequisite hours.
- Students must also meet advising, licensing, and background check requirements.
