

Faculty Parking Permit

Winter Commencement
Saturday, December 13, 2025

*Please arrive at the Centennial Center **no later than 12:15 PM** and enter the parking area using the Franklin Street entrance – not the main entrance on Clark Street. (See map below.)*

Faculty parking will be behind the building by the swimming pool. Please show this permit to the parking attendant when you enter the lot and then place it in a visible spot on your dashboard.

After 12:15 PM, any remaining parking spaces in the faculty parking area will be used, as needed, for guests.

For security purposes, faculty will only be able to enter the Centennial Center using the first-floor door by the swimming pool and will be subject to the same requirements as guests. For more information, see <https://www.qcsu.edu/registrar/winter-commencement>
