(check one)

A student who has earned a cumulative grade point average of 3.00 or higher on at least 15 overall semester credit hours may petition his or her academic advisor and department chair for permission to overload, or to enroll in more than 18 hours (25 hours for graduate students) in a given semester. An undergraduate student who has earned a cumulative grade point average of less than 3.00 must submit their request on an Undergraduate Student Petition.

Current Registered Hours: _____

Proposed Overload: _____

By signing this form, I approve this request for a semester overload:

Student Signature

Date

Advisor/Coordinator Signature

Date

Chair Signature

Date

****Once petition is approved and processed, the student should register for the overload course(s) through the regular registration process.****
