Decision options include the following:

Approve – This indicates that your decision is to approve the proposal and have the proposal continue in the workflow process.

Reject – This indicates that your decision is to reject the decision to move the proposal forward in the workflow process.

Hold – This indicates that your decision is to hold the proposal for review or continued revisions. You will be able to continue work on the proposal; however, it will not advance in the workflow until the hold is removed by an Administrator.

Suspend – If this decision option is selected, no work may be done on the proposal, and it will not advance in the workflow until the suspension is removed by an administrator.

Cancel – If this decision option is selected, the proposal will be sent back to the Originator in an unlaunched state; the Originator may then cancel and delete the proposal.
