Guidelines for Viewing an Agenda to Review Proposals

Chairs of college and university level curriculum committees have the ability to create agendas in preparation for meetings. To view an agenda, click on the bar labeled “Agendas.”

The screenshot displays the Modern Campus Curriculum web application interface. The browser address bar shows the URL <https://gcsu.curriculog.com>. The navigation bar includes links for **Proposals**, **Agendas** (highlighted with a red circle), **Accounts**, and **Reports**. Below the navigation bar, there are tabs for **My Tasks**, **My Proposals**, **Watch List**, and **All Proposals**. The main content area shows a message: "No Proposals Found". There are filters for "Order by:" (Name) and "Filter by:" (All Tasks), along with an "Advanced Filter" button. A "New Proposal" button is visible. On the right side, there are sections for "My Recent Notifications" (No Recent Notifications) and "Upcoming Events" (No Upcoming Events). At the bottom, there is a "Show: 10 results" dropdown. The footer contains the text: "Modern Campus Curriculum™ Support Resource Portal", "Modern Campus Curriculum™ © 2026, Modern Campus", and "v2.13.6".

Guidelines for Viewing an Agenda to Review Proposals

The agendas which are available for review will appear. There are options for accessing the agenda using the icons to the right side of the agenda title. The  icon will open the full agenda and all access to proposals; the  icon will allow printing of the agenda; and the  icon will open a summary of the agenda. Note that proposals cannot be accessed from the summary.
