

**Middle Grades Education Program  
October 12, 2018  
Minutes**

Present: Joanne Previts; Justina Jenkins; Nancy Mizelle

**The Meeting convened at 10 and continued until 10:55. We then met briefly in the afternoon to consider 3 applications to the MAT program.**

**With the agenda as a guide the following were accomplished:**

- ❖ As per Dr. Roberts request, data points that align with INTASC standards were identified in the two middle grades initial preparation programs (undergraduate and MAT) and the information submitted to Dr. Roberts.
- ❖ Faculty reviewed the Governance Proposal for MAT program changes and came to consensus on the changes that should be proposed. See Change Memo below.
- ❖ With significant work by Dr. Jenkins, we also were able to finalize and send forward to Dr. Williams our proposed sequence for courses for the Program of Study for candidates entering in Summer and those entering in Fall.
- ❖ Reviewed MAT applications for spring (1 accepted; 1 denied for low GPA; 1 readmitted to the program)

**Next Steps:**

- ❖ Review all syllabi and program data points with rubrics to stamp all with INTASC standards.
- ❖ SMART Report: Closing the Loop for FY17 and FY18 report
- ❖ Review data: edTPA; GACE; Initial Candidate Assessment; Professionalism Rubric; Completer Perception; Disposition Survey
- ❖ Process for students put on academic probation???

**Complete This Semester:**

- ❖ Review assessment rubrics to be sure they are aligned with the AMLE 2012 Standards and INTASC standards
- ❖ Develop any data point assessment rubrics
