

INSTRUCTIONS

Your application was selected for review in a process called Verification. In this process, Georgia College will compare information from your FAFSA with this worksheet and financial data submitted. You are required to complete Verification before we will award and/or disburse federal aid. If there are differences between your FAFSA application and your Verification documentation, electronic corrections to your FAFSA may be required. You must complete and sign this worksheet, attach any required documents, and submit to our office. If you have questions about the Verification process, contact the Georgia College Financial Aid Office by phone at (478) 445-5149 or email at financialaid@gcsu.edu as soon as possible so that your financial aid will not be delayed.

Helpful Steps to Follow:

1. Submit the completed worksheet, 2017 Federal Tax Return Transcripts (unless the IRS Data Retrieval Tool was successful when the FAFSA was completed), and any other documents requested to the Georgia College Financial Aid Office via fax to (478) 445-0729, email to financialaid@gcsu.edu, or mail to Campus Box 030, Milledgeville, GA 31061.
2. Complete all sections of the Verification Worksheet in full and sign on page 3.
3. Contact the Georgia College Financial Aid Office if you have questions about completing this worksheet.

The Georgia College Financial Aid Office will compare information on this worksheet and any supporting documents with the information you submitted on your application.

How to Obtain Your 2017 Tax Information:

Internal Revenue Service (IRS) Data Retrieval Tool (DRT):

The best way to verify income is by using the IRS Data Retrieval Tool that is part of [FAFSA on the Web](#). If the student has not already used the tool, go to FAFSA.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool to transfer 2017 IRS income tax information into the student's FAFSA. If you need more information about when or how to use the IRS Data Retrieval Tool, see your financial aid administrator.

Note: *The IRS may send you, via U.S. Mail, a "Notification of Access to the Department of Education's IRS Data Retrieval Tool".*

Tax Return Transcript: (We CANNOT accept a copy of the Tax Return)

- **Transcript by MAIL:** Go to www.irs.gov, click "Get My Tax Record." Click "Get Transcript by MAIL." Enter personal information and continue. Make sure to request the "Return Transcript" and **NOT** the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
- **Transcript ONLINE:** Go to www.irs.gov, click "Get My Tax Record." Click "Get Transcript ONLINE." Make sure to request the "IRS Tax Return Transcript" and **NOT** the "IRS Tax Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication.
- **Automated Telephone Request:** 1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- **Paper Request Form:** IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form.
 - *The student and spouse will need their Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2017 IRS tax return was filed).*
 - *If married and separate 2017 tax returns were filed, 2017 IRS tax return transcripts must be submitted for both student and spouse.*
 - **Please make sure that your name, social security number, or GCID is written on the tax transcript before submitting it to our office.**

Verification of Non-filing Letter: Provides proof that the IRS has no record of a filed Form 1040, 1040A, or 1040EZ for the year you requested. It does not indicate whether you were required to file a return for that year.
