

An Update From Mrs. Amelia

Dear dancers and parents,

I hope you all are doing well! We miss you very much and can't wait to see everyone again.

The Georgia board of regents has not authorized us yet to have live classes in the studio, so we will be having zoom classes for our fall program beginning August 3. We hope to be back in the studio in September! I am frustrated with the situation as all of you are as well, but we want to be very safe and protective of our dancers and dance families.

We hope very much to have our 24th annual Nutcracker on the Russell stage, probably by video only. We are not allowed to have live audiences on campus this semester due to the resurgence of Covid. We will have full sets and costumes just as we always do, if allowed, and video the entire production. We certainly will keep you informed as this develops.

We are very excited to begin July classes next week on zoom! We hope as many of you as possible will join our zoom classes and start to get back in shape for the fall!

We have all missed all of your beautiful faces so much! We can't wait to see you back in zoom classes in July and August and look forward to when we can all be together in the studio again!

Best,
Amelia Pelton
GC Director of Dance
