

The recommended four-year plan is designed to provide a blueprint for students to complete their degrees within four years. These plans are the recommended sequences of courses. Students will work with their Academic Advisor to develop a more individualized plan to complete their degree.

This recommended Four-Year Plan is applicable to students admitted during the 2019-2020 academic year.

Total Credits Required: 120 credits

Required GPA for Graduation: 2.0 institutional GPA (All major courses require a C or better)

Students will be Undeclared: Pre-Nursing Track students until they apply and are accepted into the Nursing Cohort.

Legend is available on the last page of this document.
