

The recommended four-year plan is designed to provide a blueprint for students to complete their degrees within four years. These plans are the recommended sequences of courses. Students will work with their Academic Advisor to develop a more individualized plan to complete their degree.

**Below are two sample academic plans. The first plan illustrates a potential academic plan for a student withing to complete an internship, while the second plan is an example without an internship.**

The GC Journeys Program will transform your way of thinking and experiencing college. By participating in five inside and outside the classroom transformative experiences during your time at Georgia College, you will step outside of your usual surroundings, gain authentic experiences, solve problems, become a leader, participate in real-world settings and put ideas into action. Examples of ways to incorporate your GC Journeys options are shared in the plan below.

This recommended Four-Year Plan is applicable to students admitted during the 2020-2021 academic year.

Total Credits Required: 120 credits

Required GPA for Graduation: 2.0 (overall)

Legend is available on the last page of this document.

Example Plan with Internship Experience											
Year 1											
Fall				Spring				Summer			
Course	Title	Hours	Area	Course	Title	Hours	Area	Take a break this summer to re-energize and assess your first year at GCSU. Reflect on what strategies have worked well for you and how you might need to restructure in the			
BIDS 1705	First-Year Seminar	1		ACCT 2102	Principles of Accounting 2	3	F	<b>Notes</b>
