1. Call to Order- Meeting called to order by Lyndall Muschell
Agenda approved.

2. Action Items:

- New Concentration – Sales-Interest from Marketing students - Unanimously Approved
- New Concentration – Human Resource Management-approx. 30 percent of students interested- attached to management - Approved Unanimously
- New Certificate – Legal Studies-No new courses taught in this certificate, result of trying to be more attractive to students; Can only receive this certificate in conjunction with a degree - Approved Unanimously
- New Minor – Logistics- has had a concentration for about 3 years- good connection with job market; added two more courses for the new improved minor- Approved Unanimously
- Modify Existing Minor in Management for Non-Business Major – Presents what management is about. Approved Unanimously
- Modify Existing Logistics Concentration Requirements- Changed courses to allow students to select a course instead of International Management- Approved 8-1
- New Certificate – Data Science- Using the existing courses; Collaboration in Arts and Sciences - Dr. Mijena will serve as the Program Coordinator. It is an embedded certificate- awarded in conjunction of a degree- Approved Unanimously
- New Concentration – Physics Education- Will help to add students in this critical field-hopefully students will continue in a degree in physics - Approved Unanimously

- Rename and Modify Existing Concentration – Liberal Studies - In last nine years, no one has selected the concentration; have the first students this semester; students say the title is not enticing - Approved Unanimously
