Georgia College aims to produce graduates who are well prepared for careers or advanced study and who are instilled with exceptional qualities of mind and character.

As the state’s designated public liberal arts university, Georgia College is committed to combining the educational experiences typical of esteemed private liberal arts colleges with the affordability of public higher education. GC is a residential learning community that emphasizes undergraduate education and offers selected graduate programs. The faculty is dedicated to challenging students and fostering excellence in the classroom and beyond. GC seeks to endow its graduates with a passion for achievement, a lifelong curiosity and exuberance for learning.

The admission policy of Georgia College (GC) is to accept those applicants who provide evidence of a high potential for success at the university. A potential student is considered for admission without regard to race, creed, sex, marital status, disability, sexual orientation, age or national origin. All documents submitted for admission to Georgia College become the property of the university.

Admission to GC is not a guarantee of admission to a particular college or major. Separate and sometimes higher requirements for admission into a college or major are described in the GC electronic catalog at gcsu.edu/catalog.

Acceptance or denial of each applicant is determined by the Office of Admissions and/or the Office of the Registrar, and is subject to the right of appeal as outlined by the university and as provided by the bylaws of the Board of Regents of the University System of Georgia. If necessary, an applicant should contact the Office of Admissions regarding details of the appeals procedure.

The GC Office of Admissions is located in the historic Mayfair Hall (c. 1910), at 404 West Hancock Street. Our office hours are Monday through Friday, 8:00 a.m. to 5:00 p.m. Telephone, 478-445-1283; or toll-free, 1-800-342-0471. Campus tours are offered on weekdays and Saturdays (except holiday and special event weekends), when the university is in session. Reservations are required. Tour reservations can be made online at gcsu.edu/tours or by contacting the Office of Admissions.

Students with disabilities are invited to contact Disability Services at 478-445-5931 to determine how their disability may be accommodated. In these particular cases, campus visits are especially encouraged. When making reservations for a campus tour, please let us know how we may help to make your visit a pleasurable experience.

Tuition Classification Information
University System of Georgia students are responsible for registering under the proper tuition classification. In general, classification of in-state status for tuition purposes requires an individual to have established domicile in Georgia for a minimum of 12 consecutive months immediately preceding the first day of classes for the term in which the student plans to enroll.

Domicile is defined as a person’s present, permanent home where the individual intends to stay indefinitely and to which the individual returns following periods of temporary absence. Temporary residence does not constitute the establishment of one’s domicile.
Residence is defined as the state and country where an individual currently lives. An individual may reside in Georgia without having established domicile in the state. See above definition of domicile.

Georgia College has a First-Year On-Campus Requirement for all students under the age of 21 (as of the first day of classes of their entering semester), which requires all first-year students to live in university housing for a minimum of two consecutive semesters. This policy is based upon the university’s belief in the importance of the educational benefits in self-government, community living, group discipline and the opportunity for relationships with faculty and staff members that campus housing provides.

A student may request an exception to Georgia College’s First-Year Residency Requirement based upon one of the following:
- being married;
- being the primary caretaker of dependent children;
- being a transfer student with 12 or more earned hours of coursework (not including dual enrollment and advanced placement credits);
- taking only online coursework;
- taking fewer than seven semester hours of Georgia College academic or institutional credit;
- being strictly a dual enrollment student;
- qualifying for a Pell Grant AND residing with a parent or legal guardian at one’s permanent residence located within Baldwin, Jones, Wilkinson, Putnam, Washington, or Hancock counties;
- having unique hardship, including but not limited to students with disabilities that cannot be reasonably accommodated in student housing.

Send your request to: University Housing, Georgia College, Campus Box 60, Milledgeville, GA 31061
FRESHMAN ADMISSION

Freshman applicants are or will be high school graduates that have earned less than 30 semester hours (45 quarter hours) of transferable college credit coursework (not including dual enrollment and advanced placement credits).

The successful freshman applicant will demonstrate his or her potential for success by completing a rigorous College Preparatory Curriculum with a competitive grade point average, show strong SAT or ACT score results and provide a well developed personal essay. The middle 50% of admitted students for Fall 2017 had SAT total scores ranging from 1150-1270 (EBRW + M subscores only), 23-28 ACT Composite and high school grade point averages ranging from 3.32 to 3.83 (calculated on academic courses only). These numbers are provided only as guidelines. Students whose test scores/subscores may subject them to screening for Learning Support/Remedial placement will not be considered for admission.

Admissions decisions are based on the total student portfolio and demonstrated potential for contribution to the university and probability for success in the unique environment of the GC community. In the application review process, GC strives to discover students who will bring academic and creative achievements, elements of diversity, a proven commitment to community service and who have the potential to make significant contributions to society. GC seeks inquisitive freshmen who exhibit the desire to develop an analytical mind; a sense of civic and global responsibility; sound ethical principals; respect for human diversity and individuality; effective writing, speaking and qualitative skills; and a healthy lifestyle.

Completion of the USG’s Required High School Curriculum (RHSC) is mandatory for admission to GC. The minimum requirements include:

- 4 units of English
- 4 units of Mathematics, with Algebra 1 or Mathematics I being the minimum level for consideration
- 4 units of Science including at least 2 units of laboratory science
- 3 units of Social Science (must include one unit focusing on US studies and one unit focusing on world studies)
- 2 units of the same foreign language

A word about SAT and ACT scores: Freshman and/or transferring freshman applicants must submit at least one official SAT or ACT score report. DUAL ENROLLMENT ADMISSION

Georgia’s Dual Enrollment (DE) program allows high school students to earn college credit while working on their high school diploma. The current law streamlines the previously existing dual enrollment options (Move on When Ready (MOWR), Accel, and HOPE Grant) into one program with one funding source. By consolidating these programs into a single program, it is easier for students and parents to navigate and take advantage of the available options to enroll in college courses while still in high school.

- Have a minimum 1050 MATH and EBRW on the SAT (or equivalent on the ACT) and a High School academic GPA of 3.5 or higher (as calculated by the Office of Admissions)

Students must complete the 9th grade and be on track to complete the Required High School Curriculum (RHSC). Students must meet USG state learning support exempt minimums.
