My name is Braden Goodgame and I am the Political Director for Hunter Hill's campaign to be our next Georgia Governor. I wanted to reach out and see if you knew any students that may be interested in applying for our internship program for the spring semester. It is an unpaid internship and would allow them to work remotely.

Following a phone or in-person interview, the internship would begin immediately. Expectations of the internship are included in the below section, along with information regarding the application process.

Please don't hesitate to reach out to me with any questions you may have.
