

# Mylle Mangum

Mylle Mangum is the CEO and owner of IBT Enterprises, LLC. IBT is a leader in developing retail environments for bank branches, specialty retail and mixed-use concepts. The pioneer of in-store banking, IBT offers domain expertise in a comprehensive range of integrated services, including retail distribution strategy, market research, performance training, design, architecture and construction for in-store, storefront and brick and mortar facilities.

Previously, Ms. Mangum was CEO of True Marketing Services, a private equity effort to consolidate marketing services companies.

From May 1999 to June 2002, Ms. Mangum was the CEO of MMS Incentives, a private equity company involved in developing and implementing marketing and loyalty programs in a high technology environment. Prior to that time, she served as President, Global Payment Systems and Senior Vice President, Strategic Planning and Expense Management for Carlson Wagonlit Travel. Ms. Mangum was the Executive Vice-President, Strategic Management for Holiday Inn Worldwide from August 1992 to March 1997.

Ms. Mangum was with BellSouth Corporation from 1985 to 1992, during which period she held the positions of Assistant Vice President – New Ventures; President – BellSouth International; and Director, Corporate Planning and Development. From 1972 to 1985, Ms. Mangum was with General Electric Company, where she began as a computer programming and systems analyst supervisor and rose to the position of General Manager – Systems Operation for GE’s Factory Automation Products Division.
