Georgia College does **NOT** look at total score in determining application minimums. See below to view what our New SAT minimums are and where to locate them on your SAT Score Report.

**Section Scores**

**Math**

*Georgia College & State University Math Minimum*

440 | 200 to 800

*Your Math Score*

**Reading**

*Georgia College & State University Reading Minimum*

24 | 10 to 40

*Test Scores*

**Super Score:**

Georgia College will look at *multiple SAT test dates that a student has taken and combine the highest scores in each section from across the different test dates to give a “Super Score” that may be higher than any individual SAT score he/she received.*

*Georgia College will **NOT** Super Score between Old and New SAT*
